

## LETTER OF APPRECIATION

Dear brothers and sisters from Oregon, North Carolina and Idaho, and distinguished friends from FEDICE Foundation:

Please accept our warm and fraternal greetings in the love of God.

On behalf of Ms. Soña Calapaqui, the entire staff, the families, and—above all—the children who are part of the San Pablo Child Development Center, we wish to express our deepest, most sincere, and infinite gratitude.

Today, our hearts overflow with joy, and we offer a prayer of thanksgiving to the Lord for bringing noble-hearted people like you into our lives. We firmly believe that God works through generous hands, and you have been the perfect instrument for bringing hope, dignity, and love to our Child Development Center. Your support has not only transformed our Center; it has renewed the children's sense of wonder, strengthened their families' hope, and filled with faith those of us who work every day to provide them with a better future.

With deep affection, we express our gratitude for each of the projects carried out. Each of these actions represents far more than a physical improvement or a material contribution. Every deed reflects an act of selfless love—a gesture of solidarity that will remain forever etched in our hearts. They are seeds of hope sown with generosity, now blossoming in the smiles of our children and which, by the grace of God, will bear fruit in the form of well-being, education, and opportunities for an entire generation.

Words cannot fully express what your support means to us. Your generosity has been an embrace from God for our institution—an answer to our prayers and a living testament that fraternity knows no boundaries when love guides our actions.

We ask the Lord to abundantly bless each of you, your families, and the volunteers, benefactors, and collaborators of the FEDICE Foundation. May He richly reward all the good you do; grant your health, wisdom, strength, peace, and prosperity; and continue to guide your projects so that they remain a source of light, hope, and transformation for those who need it most.

May you never lose the joy of service, for every act performed with love endures forever in the hearts of those who receive it and is treasured by God.

With immense gratitude, admiration, and deep affection, we say to you:

Thank you, FEDICE Foundation! Thank you for believing in our children, for generously extending a helping hand, for sowing hope where smiles now bloom, and for building opportunities that will change lives forever.

May God bless you today, tomorrow, and always, and may He abundantly multiply all the love you have shared with our little ones.

Sincerely,

Soña Calapaqui
