

Statement from Tyler Heston, October 2024

I've been on three service-learning trips with FEDICE as a co-leader of groups with both youth and adults, and each of the weeks spent in and around Otavalo partnering with the life and work of FEDICE were uniquely transformative experiences.

From serving alongside folk on-site at

FEDICE service projects to sharing meals and exploring through excursions, each moment of the trips made up a mosaic of sacred presence as we not just learned but experienced the spirit of MINGA, of togetherness, that is at the core of what I believe to be the heartbeat of God.

Rev. Tyler Heston (he/him/his)

Minister of Spiritual Formation & LGBTQIA+ Development

Christ Church United Methodist NYC
